

Executive Biography

David Schummers

Vice President of Marketing

Mr. Schummers has served as Vice President of Marketing at EGS since September 2008. Prior to joining EGS, he served as Marketing Director for Medtronic's Spinal and Biologics business, with responsibility for the company's Sunnyvale, California-based dynamic stabilization franchise.

Mr. Schummers became part of Medtronic through the 2007 acquisition of Kyphon Inc., where he worked since 2003. While at Kyphon, Mr. Schummers served in key leadership roles in marketing, R&D, operations and finance. During his tenure at the company, Kyphon grew from \$76 million in annual revenue to a multi-platform platform business totaling over \$700 million in revenue.

Prior to joining Kyphon, Mr. Schummers headed the lifescience practice of the investor relations consulting firm the Blueshirt Group, worked in equity research at Piper Jaffray, and contributed as a business writer to the medical device trade journal The Gray Sheet.

Mr. Schummers holds a B.A. in Economics from Oberlin College.
